

1 Executive Summary

Sometimes its good to put in summary findings back at the top of the page. The max value was 1.00e-03

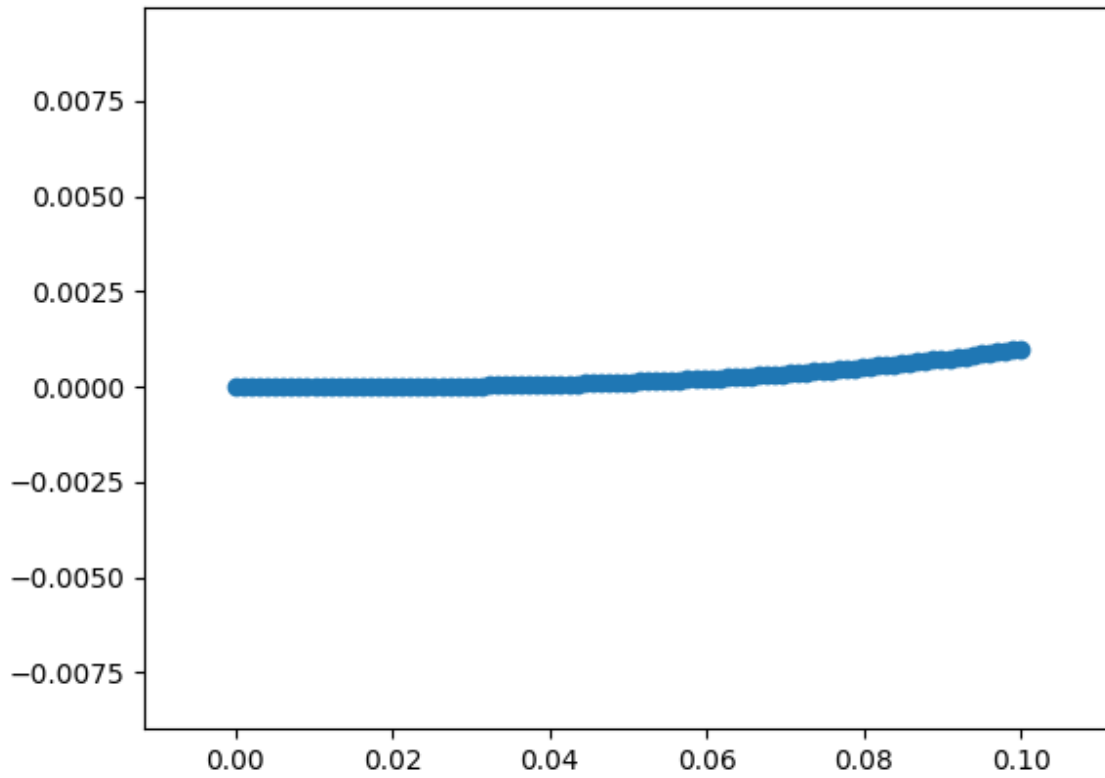

Figure 1: Caption here

2 Section

In this section we look at a figure.

3 Conclusion

Here we have demonstrated

1. We can plot
2. We can pdf
3. We can inject numbers like $\max(\text{ys}) = 1.00\text{e-}03$
4. We can insert conclusions back into the top of the document
